

## OUR FACILITIES

Maui Recovery provides a safe, secure setting for only eight men & women, just 750 feet from the crystal blue, warm waters of the Pacific Ocean. Maui is one of the top travel destinations in the world with comfortable island weather year-round where you will enjoy tropical breezes in shared or private rooms.

Knowing that this life-changing decision to enter treatment can be difficult, we will hold your hand with care and compassion as you settle into the oasis of Maui Recovery.

## OUR TREATMENT

At Maui Recovery, we believe your recovery is possible through kindness, professionalism and evidenced-based treatment. Because addiction affects the mind, body and spirit, our licensed and experienced staff address all three elements through our research-based treatment modalities including many holistic therapies. Other problems, such as depression or anxiety, frequently co-occur with addiction, so we select and customize your treatment plan.

- 🌿 12-Step Attendance
- 🌿 Group and Individual Therapy
- 🌿 Spiritual consulting with Hawaiian Kahuna
- 🌿 Psychoeducational classes
- 🌿 Stress reduction classes and groups
- 🌿 Relapse Prevention

## OUR MISSION

**To embrace individuals and families by empowering their life-long transformation and recovery from addiction through healing and meaningful connection.**

With deep respect for Hawaiian traditions and heritage, our Founder, Dr. Jay Serle, designed Maui Recovery and its Mission to provide a much needed resource for the women and men of Hawaii, the Mainland and other countries.
